

# The Bulletin October 2017

## Festival of The Arts & the Crafts

We are excited to announce our first Gatesbiel Festival of 'The Arts and the Crafts'.

Throughout October, we will be holding several events, showcasing talent from within Gatesbiel and beyond, as well music, film and poetry.

Please refer to your Festival Programme or the calendar on the back of this Bulletin for details of events—please come along and bring your friends.

## Fair Trade

After several months without a fair trade stall at Gatesbiel, we have established our own Traidcraft stall for a trial period.

Please let us know if there is anything you would particularly like to see on the stall.

We can order items for you, such as Christmas Cards and gifts.

Please make sure if you buy from the stall that you pay for the goods you take, all items are priced.

Do ask if you are not sure where to put your money. If you have come without cash, please write an IOU in the book provided and pay next time you are in the Common Room.

This month sees the start-up of the Bible Study group. The group normally meet on a Thursday afternoon in the Craft Room. Please see Margaret Free for further details.

## Discussion Group with Fiona
