Till Death Do Us Part

*A dim light glows in the dark
The only sound his laboured breath
His love for me shall leave its mark
As I wait in sorrow for his death*

*He will often be in my thoughts
All around our lovely home
Are the things he loved and bought
How shall I cope when I'm alone?*

*Our love for each other is strong
Our cares for each other unique
Even when things went wrong
We vowed our love week by week*

*And now the time is near
When we must be apart
For only a short time, dear
Soon I'll join you in soul and heart*
